

BOWL AND TRUMPET JUDGMENTS AND THE PLAGUES OF EGYPT

The Bowl Judgments are more severe repeats, with variations, of the Trumpet Judgments. The Trumpet Judgments are initial warnings affecting a third of the earth; the Bowl judgments, however, are disastrous worldwide. The similarities between the Bowl and Trumpet Judgments and the OT Plagues on Egypt are not a coincidence. God's message is obvious; freedom and blessing for God's people, and utter destruction for His enemies.
