The Lord's Light Within

Lord, we reflect with thankful hearts
On the wonder of your birth
The love you expressed when you left
Your glory to come to earth

For your life was like a beacon, Lord
Shining brightly in the night
Filling the world with the radiance of
The Father's glorious light

And we, too, long to have inside
Your light for others to see
The beautiful reflection of your grace
And the wonder of your majesty

For as your life indwells our hearts,
We can shine wherever we are
And arise to take hold of each new day
With your light ablaze in our hearts

So rekindle the flame within us, Lord
So it will not flicker nor dim
Ignite us with the light of your love,
So you will shine brightly within
